

BRING OXFAM UNWRAPPED

INTO YOUR SCHOOL THIS HOLIDAY SEASON

WHY UNWRAPPED?

Oxfam Unwrapped will help your school fight poverty around the world. Raising money for a gift — like a goat for a family in Mozambique — is also a great way to further ethical and intercultural understanding, reconnect your students with the true meaning of the season, and remind them of the value of giving. It's also a fun way for staff to have a Kris Kringle without ending up with a small item no-one really needs or wants to keep.

You can choose gifts related to your students' current topics of study, or have some fun choosing the card with the wittiest message for your colleague!

Aida, 8, holds an Oxfam Unwrapped Goat.

HOW CAN MY SCHOOL GET INVOLVED?

HOLD A CHRISTMAS MARKET STALL

Get creative to raise money to buy your Unwrapped gift. You could have individual money jars labelled with each Unwrapped card for people to choose which one they want to donate to. Or have a "pay to play" pin the tail on the ... goat!

SECRET SANTA/KRIS KRINGLE

Instead of holding a class or staff Secret Santa/Kris Kringle this year, why not ask them to pool their money and be Secret Santa to a family in need?

DECK THE HALLS

Display your gifts in the classroom, staffroom or create a school display! Feel great in knowing your school has made an incredible difference to someone living in poverty.
